PATRIOTS we are very sadden to have lost a best friend and fellow Patriot Jack Oliver. The picture above was Jack who helped us find shelter during the Hurricane last year. His dog Rocky and Andrew Jackson loved Jack and always wanted to be on his lap.

During the first years of George W Bush

administration we met Jack at the Jolly Sailor which is now Duffy's in downtown Stuart to talk about Immigration. He was passionate about what was happening to our Country. His profession was effected greatly by illegal Immigration. Jack knew what was happening to the American Worker. He was a big supporter of President Trump and never gave up his FIGHT for our Country. He was a tireless Patriot! We hope you will attend his memorial service. Many Patriots across Florida will be coming to remember Jack please join us. RSVP

" With great sadness we mourn the loss of John C. 'Jack' Oliver, an American Patriot.
John C. 'Jack' Oliver, FLIMEN Legislative Director, passed away unexpectedly November 10, 2018.
Friends, fans and family in Florida and throughout the nation are mourning the sudden and great loss of a wonderful man, an incredible friend and the truest of American Patriots.

When Jack spoke of his family, he spoke of them always with the deepest love, greatest affection, and tremendous pride.
When Jack professed himself your friend, he did so with sincerity and it was a source of pride that he had retained lifelong friendships.

When Jack's country needed help, Jack was a true American Patriot.
When the effects of illegal immigration ravaged his state, Jack worked tirelessly for years, regardless of personal and financial hardship, to enact E-Verify for the state of Florida. With your help we will complete Jack's dream in the next Florida Legislative Session.

Jack will forever be missed by his family, friends and fellow citizens who recognized him as a wonderful family man, a great friend, and a true warrior in defense of the country he loved so much, the United States of America.
